Around 3 miles in the opposite direction lies Dalkeith Country Park, featuring an extensive network of woodland trails, Go

Ape, Fort Douglas Adventure Playground, and regular farmers' markets. The park is also home to Restoration Yard, where visitors can enjoy locally sourced food at The Kitchen at Restoration Yard restaurant, relax in the coffee bar, or browse a selection of clothing, beauty, and wellness products in the shop. With 1,000 acres of green space to discover, there is something for every member of the family to enjoy.

Here, you can enjoy access to swimming pools, a gym, spa facilities and tennis courts. Families are also well catered for, with a dedicated kids club and crèche available for younger children.

Millerhill Grange benefits from excellent transport links and convenient access to major road networks. Being so close to Edinburgh city centre, there's a variety of shopping experiences to choose from and whilst you're out, there's no shortage of excellent cafés, bars and restaurants to grab a beverage or something to eat.

Only 10 minutes from Millerhill Grange you have the luxury of Fort Kinnaird Retail Park, home to your favourite high street brands, designer clothing, homeware and sports shops. Why not make a day of it and, after a bit of retail therapy, enjoy a film at

the Odeon cinema followed by a bite to eat or a coffee at a selection of cafés and restaurants. Other convenient shops nearby include B&Q, IKEA and Dobbies Garden Centre.

When it comes to the weekly shop you're spoiled for choice. All major supermarkets can be found within a 15 minute drive of Millerhill Grange, and for your convenience there is a Co-op nearby in Shawfair and construction for a new convenience store is underway within the development itself.

QUALITY SERVICE AND AFTER SALES

Springfield are always striving to find out what really matters to homeowners. We work hard every step of the way to help make your house a home.

We're committed to building the most energy efficient homes we can. For example, each Springfield home is designed around a sustainable timber frame.

We also have a dedicated team of kit designers and production experts which means minimal wastage.

As a registered NHBC builder we'll take care of you well after your move in date. With every Springfield property we provide an after sales service for the first two years of your 10 year NHBC warranty.

DEVELOPMENT PLANS

The development plan for Springfield Millerhill Grange features our brand new, never before seen Springfield Group range of homes. We will deliver an exciting variety of three, four and five bedroom properties with a choice of terraced and detached homes, creating an ideal selection for first time buyers, second movers and growing families.

Our brand new range of homes has been thoughtfully designed and equipped with the latest technology to provide modern, energy efficient living at its best. Features include enhanced insulation to keep your home warmer for longer, EV chargers for your convenience, and ground source heating to lower carbon emissions and futureproof your home.

For those new to ground source heating, it works by extracting natural heat through pipes under the ground. The pipes then deliver heat to your home via a compressor, providing heat energy to your hot water cylinder and radiators, which heats your home and delivers hot water to your taps and showers.
