

**COVID -19**

**Springfield Properties Action Plan Update**

**20<sup>th</sup> March 2020 Update**

Dear All,

The Corona Virus briefing has just been given and the actions are as follows:

All staff who are unable to work from home will be entitled to 80% of their normal pay up to a maximum of £2,500 per month.

This covers all COVID 19 related situations i.e. illnesses since March 1st, absences, vulnerable people from next week and parents from next week.

This is through to May 31st and can be extended.

In addition to this the three month mortgage holiday is available for anyone who is unable to work in the 12 week period from Monday.

We will need to get a fuller understanding of this next week. This is my best interpretation of what I have just heard from the Governments press conference.

If there are any amounts to be backdated we will sort next week in advance of March payday. Not sure how payroll will manage but I'm sure they will!!! (Thanks)

This is an unprecedented situation and these are unprecedented actions. I really hope these will allay some of your financial fears over the coming months.

We will continue to be here to listen to any hardships and help where possible.

Take Care

Innes
