Springfield Properties Action Plan Update

20th March 2020 Further Update

Dear All,

As details are coming out tonight we are still unclear as to exactly who will be able to get the 80% or £2,500 per month. It was said at the briefing that it was for all people affected by the Corona Virus.

On looking at some of the press reports we are not sure if this is only for people who would be laid off or if it is for people unable to work through ill health, vulnerability or childcare.

We are still waiting for the Govt Corona Virus official guidance.

I am really sorry about this uncertainty and will do my best to update you as soon as we understand more fully what this means.

Take care

Innes
